**Ignite the joy of Reading!**

Dear Parents

The National Education Policy 2020 has emphasized reading as a key skill for foundational learning. We are thrilled to introduce the CBSE Reading Mission at our school. This initiative aims to foster a love for reading and enhance literacy skills among our students. Reading not only broadens horizons but also nurtures creativity, critical thinking and vocabulary development.

The ongoing CBSE Reading Challenge serves as a strategic initiative aimed at fostering and nurturing a genuine passion for reading within school students.

It is mandatory for all the students of grade VI to X to participate in this initiative. The children will be given Reading tasks to be followed by objective questions. Each question paper will have 30 assessment items. The evaluation will focus on **speed** as well as **accuracy**. The best performers (one from each section) will be nominated for interschool level of the mission.

It will be organized on **22<sup>nd</sup> of September, 2023 for Grades IX & X** and on **25<sup>th</sup> of September, 2023 for Grades VI to VIII**.

**Selection process for Round Two-**

	GRADE
<b>First 25% students to submit the paper</b>	 <b>(3 STARS)</b>
<b>Second 25% students to submit the paper</b>	 <b>(2 STARS)</b>
<b>Third 25% students to submit the paper</b>	 <b>(1 STAR)</b>

- Students who are able to answer all the questions accurately should be considered first for selection.
- In case there are more students getting the same marks, those who are able to score in less time will get preference for selection.

Let's make reading a lifelong adventure!

Regards
