Dear Parents,

Greetings from STEP UP SCHOOL!

“We cannot prepare a future for our children, but we can always prepare them for future.”

At Step Up School, we are always enthusiastic and look forward to new challenges and experiences. Adding fun to learning creates the best educational experience possible. Keeping this in mind, the school is organizing ‘SPELLATHON- A SPELLING BEE COMPETITION 2024’ for its stupendous Stepians of Grade I to XII.

An expansive vocabulary in English guarantees a superior understanding of other subjects too. This event will certainly help and assist the students to develop their vocabulary as well as communication skills with increased confidence levels as it is designed in an age and grade appropriate manner.

Spellathon will be conducted in **two rounds**. The first round will be preliminary round where the students will have a **dictation** of around 10 words (Grades I & II) & 15 words (Grade IV onwards). **A word bank** will be shared with the students of Grade I-XII on Google Classroom. Those who qualify will have the opportunity to appear in the second round i.e., Final round. Participants here from grade(I-V) have to answer a **worksheet** which will have different exercises like jumbled letters, crossword and circle the correct spelling. It will truly test the linguistic skills of the students. For students of grade (VI-XII) there will be an oral or the knock-out round. Final round for grade VI-XII will have a **theme-based competition**. Kindly note the schedule and other details for the same: -

GRADE I-XII: **WORD BANK (Will be uploaded on Google Classroom a week before Round 1)**
